

ADULT FALL SOFTBALL PROGRAM

The fall program serves men and women, 18 years and older, who are out of high school. The program is conducted from late August to mid-October. Individually organized teams may apply to participate in one of the following divisions of slow pitch play: Men's, Women's or Coed.

The program is limited to 126 teams due to facility and seasonal staff availability. The fall softball program uses similar rules to the summer MSCR adult softball program but may experiment, on occasion, with potential rule changes.

DIFFERENCES IN 2010 FALL SOFTBALL, COMPARED TO MSCR SUMMER SOFTBALL

- *Registration is FIRST COME, FIRST SERVE – only 126 total teams will be accepted.*
- *A 15 run, “mercy” rule, after 5 innings, will be invoked in all games.*
- *Standings will be kept and league champion will be determined. New for 2010*** Championship T-shirts will be awarded to the league winner. Every player you have registered will receive one.*
- *When you register, teams will select their night of play, and diamond location for all games. You will receive your game balls and scorecards at registration.*
- *Only one umpire will be assigned, per game.*

Registration information and fees are outlined in the team application information. For your fee, your team receives game balls, scorecards, schedules and one umpire per game. Bases are supplied. Standings are published on the MSCR website, on a daily basis: **www.msqr.org**. Gloves and bats are your team's responsibility. Uniforms are optional. We will again be partnering with Madison.com. More info will be available when you click on our website.

The program is intended to be low key, fun--yet competitive--come join us! Please note, space is limited for this program and registration is first come, first serve.
