*MSCR, a department of the Madison Metropolitan School District (MMSD) was directed to reduce MMSD tax levy support in 2010-2012 by \$2.4 million, a 28% budget reduction. Budget reduction proposals include increasing adult program fees by 70% in order to offset the total cost of operating adult recreation programs offered by MSCR. These proposals can be seen on the District's web site at <http://drupal.madison.k12.wi.us>.*

*The community has been invited to weigh in on these options by email at [board@madison.k12.wi.us](mailto:board@madison.k12.wi.us) or by attending a public input session scheduled for:*

*Sunday, April 18, 1pm at Warner Park Community Recreation Center, 1625 Northport Dr.*

*Feel free to call us if you have specific MSCR questions.*
