ATTN: Men's Basketball - Wednesday Leagues
RE: League Champions

Congratulations on winning your basketball league championship! We hope you enjoyed the season.

In a break from traditional practice, individual league champion t-shirts have replaced the league champion team plaque. In recognition of the accomplishment, each registered member of your team will be awarded a league championship t-shirt! Team managers will be mailed a letter with pick-up details.

MSCR, a department of the Madison Metropolitan School District (MMSD) was directed to reduce MMSD tax levy support in 2010-2012 by \$2.4 million, a 28% budget reduction. Budget reduction proposals include increasing adult program fees by 70% in order to offset the total cost of operating adult recreation programs offered by MSCR. These proposals can be seen on the District's web site at <http://drupal.madison.k12.wi.us>.

The community has been invited to weigh in on these options by email at board@madison.k12.wi.us or by attending public input sessions scheduled for:

Monday, March 22, 6pm at UW Space Place, 2300 S. Park St. or

Sunday, April 18, 1pm at Warner Park Community Recreation Center, 1625 Northport Dr.

Feel free to call us if you have specific MSCR questions.
