

## ADULT BASKETBALL PROGRAM

The Adult Basketball Program offered by MSCR is conducted from January to late March each year. Participants in both the men's and women's league must be at least 18 years of age and not attending high school. Leagues for men are scheduled for Monday, Tuesday, Wednesday or Thursday evenings. Women's leagues are offered on Monday and Wednesday evenings. Players may play multiple weeknights, but are limited to only one team *per night*.

Teams are asked to rate their skill level and upon being registered are placed in a league of six teams. A double round robin totaling ten games is scheduled; the first round winner plays the second round winner for a league championship trophy or plaque.

Over two hundred teams and nearly two thousand players participate in the program. For their fees, teams receive excellent playing facilities, two officials, a scorer-timer, and a facility supervisor to insure enjoyment in a safe environment for everyone. Scores are reported in the Wisconsin State Journal the following day so that sponsors, opponents and fans know how each team did the night before. Standings are posted daily at [www.msqr.org](http://www.msqr.org).

Competition is a key ingredient in this program, but rules strive to make games fun and a reflection of good sportsmanship. MSCR is the one for fun! Pass the word and come join us. You'll be glad you did!
